Ms Zia, sorry for not getting back to you earlier this week as planned but my meetings in NYC ran longer than expected and I just returned to Houston last night. I am asking our environmental counsel to visit with you to coordinate the joint review of Dimock water issues that you and I discussed. Should you have questions or concerns please bring them to Cabot's attention so that we may have input. We would also welcome a meeting in your office to go over data and facts should you find that to be helpful.

Regards,

Kevin Cunningham  
Vice President and General Counsel

Mr. Cunningham,  
Thank you for speaking with me today and conveying your willingness to provide to EPA, by next week, Cabot's sampling data and corresponding laboratory analytical and QA/QC information pertaining to the residential wells in Dimock, Pennsylvania. I look forward to speaking with you or your outside counsel early next week. My contact information is below.  
Sincerely,
